

The Kansas Chief.

SOL. MILLER, - - - - EDITOR.

WHITE CLOUD, KANSAS:
Thursday, : : January 12, 1865.

PEACE RUMORS.—The telegraph brings

us peace rumors, which seem to bear the semblance of probability. It is said that Gen. Singleton, of Illinois, a well-known Peace Democrat, has gone to Richmond, to co-operate with Mr. Blair. Also, that the Rebel Congress, in secret session, has appointed Peace Commissioners, who have already gone to Grant's army. Ex-Gov. Orr, of South Carolina; Ex-Congressman Gilmer, of North Carolina; Ex-Gov. Rives, of Virginia; and Vice President Stephens, are said to be of the Commission, and are now on their way to Washington. Report further says, that Jeff. Davis is strongly inclined to peace, and that Lincoln will offer lenient terms. A general amnesty will be granted to all persons engaged in the rebellion, without any exceptions, and the rebels are to lay down their arms, and acknowledge the supremacy of the United States Government. But the total abolition of Slavery will be insisted upon. The demand will not be for immediate abolition, but measures must be taken to accomplish that end as soon as practicable. It is said, also, that the removal of Gen. Butler is a part of the programme, that the rebels may not have any complaint in that matter. This is the substance of the report. It may be mere sensation, but there is undoubtedly some movement on foot looking to peace.

SENDING FOR MAGAZINES.—We will again repeat, that our offer to procure certain magazines and papers at the lowest club prices for single numbers, extends only to subscribers of the Chief. We received a letter, the other day, in which the writer acknowledged that he was not a subscriber, but nevertheless requested us to send for a Magazine for him, (as a present to his lady love, we suppose;) and he did not even so much as enclose a stamp for us to pre-pay postage on the order for the Magazine. However, we sent for it; but we shall do so in no more such cases. Those who do not desire to take the Chief, are at perfect liberty to follow their desires; but we have procured our arrangements with the Magazines for the benefit of our patrons; and those who do not choose to become such, should have the check to ask a share of the benefits intended for those who do.

SHERMAN.—Sherman is still at Savannah, organizing another extensive campaign. His destination is said to be Charleston, and that the fleet of iron-clads will co-operate with him. Savannah is reported more loyal than any Southern city that has yet been captured by our forces. Large meetings have been held, at which a brother of General Hardee took a leading part, to urge upon the State authorities measures to secure the return of Georgia to the Union.

INDIAN FIGHT ON THE PLAINS.—The Indians on the Plains are again troublesome. A severe fight occurred in the vicinity of Julesburg, a few days ago. The Indians attacked the Overland coach, and plundered a station-house. Lieut. O'Brien, in command at Julesburg, immediately marched out and attacked the Indians. A hard fight ensued, but the Indians were finally routed, and fled, pursued by the troops. The Indians are said to have been 15,000 strong, consisting of Cheyennes, Comanches, Arapahoes, Kiowas, and others. Lieut. O'Brien's loss was ten or fifteen. The Indians lost almost thirty-five killed, and many wounded. Their leading Chief is reported among the killed.

MISSOURI FREE!—The Missouri State Convention passed an ordinance of immediate Emancipation, at noon on Wednesday. It is short and sweet, and to the point. Here it is: Be it ordained by the People of the State of Missouri, in Convention assembled, That hereafter, in this State, there shall be neither slave nor involuntary servitude, except in punishment of crime whereof the party shall have been duly convicted; and all persons held to service or labor as slaves, are hereby declared free.

Since our last issue, we have been informed that a letter has been received from a member of the Kansas 18th, at Fort Smith, the writer of which states that two prisoners who escaped from the rebels, report that Rev. Mr. Gardner was not killed by the bushwhackers, but was captured, and was a prisoner at Taylor, in Texas. The truth is, each man in camp has his own story concerning every event, and we doubt whether any of them know the fate of Mr. Gardner.

An exchange boasts of a man having been presented to the editor by a "Father in Israel." There was not much generosity in that act, as it is well known that the Fathers in Israel, and the children of Israel too, regard it as a sin to eat ham.

The Grasshopper Falls Jeffersonian comes to us again. It is printed as a like a craw-fish crawls. The head is on the tail—the first page is the last—on the back side. A first-class devil should go down there and put the contents to rights.

PAP PRICE.—Price is again reported dead, for about the ninth time. The report appears to be generally credited. He is said to have died suddenly, on New-Year's Day, at Dooley's Ferry, Lafayette County, Arkansas, of Apoplexy. It is to be hoped he will "stay dead" this time. "There were worse rebels than Price, but none whose influence was more pernicious. Had it not been for him, the troubles in Missouri would long since have ceased. But the Missouri rebels had unbounded faith in Price. They looked for his coming, as the Israelites do the coming of their Messiah. No matter how far distant he may have been, or what obstacles were in his way, they always expected him within a few weeks, and many a fat turkey and other delicacy were carefully preserved to regale him at his coming. Even if he is dead, the Missouri rebels will not be able to realize the fact; and many a fat gobbler will be permitted to grow old and tough, and many a jar of sweetmeats to turn sour, and mould in snug cupboards, while their possessors are hoarding them, and waiting and watching for the coming of Price. But he said his late invasion of Missouri was to be his last. Perhaps it was.

LEGISLATURE.—This institution has organized, and is now in running order. In the House, Jack Stotler, of Emporia, was chosen Speaker; and D. R. Emmert, of Fort Scott, Clerk. In the Senate, Smith Devinney, of Johnson, was chosen Secretary; and Mr. Newberry, of the last Kansas, was Assistant.

Stotler is an Anti-Lane Lane man, and a pretty good fellow, only he has fallen from his ancient faith. Emmert is an example of the virtue of perseverance, as he has been trying for the Clerkship for 10! these many years. Devinney is a double Lane man, as he was until recently a Pro-Slavery Democrat. And Newberry is a capital No. 1 good fellow. We don't know him from a side of sole-leather, but we take it for granted that he is a good fellow, until we find out to the contrary.

Stotler and Emmert are printers. Devinney was an editor, if not a printer; and probably Newberry is a printer too. The craft is looking up. We expect them to take care of the interests of the press.

THE DRAFT.—The President has called for 300,000 men, and the quota of Kansas is said to be about 1,000—some papers say more, and that there is also a deficit to make up on former calls, which will double the number. If not raised by the 15th of February, a draft will take place. But one month remains, and we have as yet heard of no efforts to prevent the disgrace of a draft in Kansas, which had heretofore escaped clear of it. The quota for each sub-district in Kansas has not yet been announced, but doubtless will be within a few days; but we suppose the quota for Iowa Township will range from 7 to 15. Means should be taken to secure the full number of volunteers, or somebody will be called for who is not ready to go.

FACTS FOR SOLDIERS.—Throughout the Indian and Crimean Campaigns, the only medicines which proved themselves able to cure the worst cases of Dysentery, Scurvy and Fever, were HOLLAND'S PILLS FOR BILIOUSNESS. Therefore, let every volunteer see that he is supplied with them.

If the reader of this "notice" cannot get a box of Pills or Ointment from the drug store in his place, let him write to me, 50 Maiden Lane, enclosing the amount, and I will mail a box free of expense. Many dealers will not keep my medicines on hand because they cannot make as much profit as on other persons' make. 35 cents, 58 cents, and \$1.40 per box or pot.

BUTLER RELIEVED.—The President has relieved Gen. Butler of the command of the Army of the James, and of the Department of Virginia and North Carolina, and ordered him to report at Lowell, Massachusetts. So says the City Post correspondent of the New York Herald. Lowell is his home, it looks a little like laying him on the shelf. Perhaps the Wilmington failure was the immediate cause of this action.
